Spirit™ II Range
2018 - 19

www.weberbbq.com.au

The family of Weber® Spirit™ II barbecues offer all of Weber's build quality and innovation in a range of smaller 3 burner barbecues.

Proving that buying a smaller barbecue doesn't mean buying a barbecue of a lesser quality

Open the door to the world of barbecuing with great food and friends coming together. Equipped with the powerful GS4™ grilling system and convenient features such as iGrill® capability, these gas barbecues are your entry to the Weber family and to everyday barbecuing. The compact open cart design and the practical folding side table makes it fit even in small spaces, and you have all the basics you need to get familiar with gas barbecuing. So whether it's a busy Monday or a relaxed Sunday – invite a couple of friends over, push the ignition and enjoy the special atmosphere that surrounds the barbecue.

The GS4 Grilling System sets a standard in the world of backyard cuisine. This innovative grilling system is based on over 30 years of barbecuing experience, culinary expertise, and most importantly, avidly considering the wants and needs of the people who matter the most – the barbecuing community.

Each component of GS4 has been uniquely designed for ease-of-use and to provide an unequalled satisfaction to your backyard barbecuing experience. Promising smoke infused food that barbecues evenly and consistently, and hassle free cleanup; you are able to focus on what it's all about – bringing people together around the barbecue.

The GS4 Grilling System is composed of four key components: The Infinity™ ignition, powerful burners, Flavorizer® bars, and Grease Management System. These components ensure that every aspect of your barbecuing experience is easy and reliable; from the moment the burners are lit to the general maintenance of your barbecue.

The Infinity Ignition is guaranteed to ignite everytime. Backed by a generous 10 year warranty, rest assured that you'll be up and barbecuing the first time, every time.

The stainless steel burners provide a consistent gas flow, enabling you to cook evenly all over the cooking grill. The Spirit II comes with an impressive 10 year warranty. The classic Weber Flavorizer bars are angled just right to catch drippings that smoke and sizzle, adding that irresistible smoky flavour we all know and love to your food.

The Grease Management System helps with the removal of grease while reducing the risk of flare-ups. Drippings that are not vapourised by the Flavorizer bars are funnelled away from the burners into the disposable drip tray, located under the cookbox. Simply remove the drip tray, and replace it as needed.

WHAT SETS THE SPIRIT™ II BARBECUE APART?

Fold down table

Easily fold down the left side table of the barbecue whenever you want to save space and need extra room to work with. Just click the button and flip the table down – making it ideal for smaller balconies.

Porcelain enamel lid

Heavy gauge steel, protected by the highest quality porcelain enamel won't rust, peel or scratch.

Porcelain enamelled cooking grills

The thin side of the cooking grill is ideal for delicate food such as fish and prawns, while the wider side creates a thick sear mark enhancing the flavour of your food.

Infinity™ ignition

The Infinity Ignition is guaranteed to ignite every time.

Flavorizer® cooking system

Angled just right to catch drippings that smoke and sizzle, adding that irresistible smoky flavour we all know and love to your food.

Cleaning system

Fat is automatically funnelled away from the burners, into an easily accessible drip tray, located under the cookbox.

Gas gauge

The easy-to-read gas gauge located next to the gas bottle lets you see how much fuel is left in the bottle.

The Weber® Spirit II has been designed to stand the test of time. It is constructed of the highest quality materials like 304 grade stainless steel, porcelain coated steel, and even Teflon® coated wiring. In fact, the Weber Spirit II is so well built that it comes with Weber's 100% 10 year guarantee. That means every piece of your barbecue, whether it's the wheels, the wires or the cooking grill, is guaranteed against manufacturing defects for a full 10 years. With Weber's commitment to quality and world famous customer service, you can be confident that your Spirit II will cook sensational barbecue meals year after year.
